

JASON

Solo Traveler

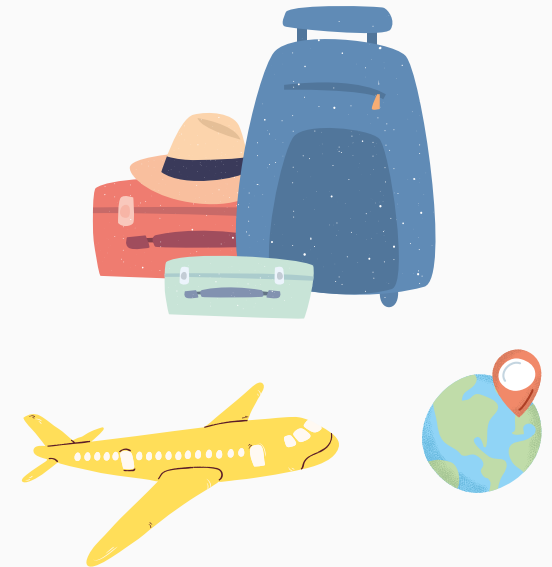

BIO

25 Yr, MALE
Travel blogger

Growing up in the eastern suburb of Texas, USA - Jason always longs for the beach life. When traveling, he loves to explore the tropical countries where the city is surrounded by beaches and welcoming locals. He is a frequent traveler and constantly vlog his experiences to Youtube.

BOOKING APP

GOALS

- To travel frequently within a budget.
- Authentic experience.
- Highly reliable host and safety.

MOTIVATIONS

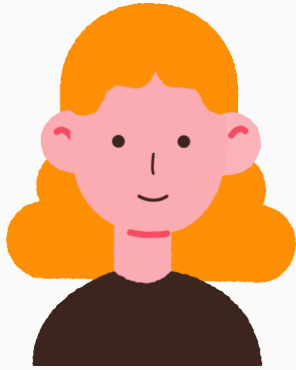

- Using maps to pick locations to find accommodations globally.
- Able to specify requirements or report issues in natural language.
- Able to ask for recommendations within a price range.

FRUSTRATIONS

- A lot of time was wasted in scrolling and searching.
- Overcoming language barriers with the host communication.
- No direct way to report issues and find resolutions.

SNEHA

Friends Trip

BIO
